Dear committee members, please oppose sb 650 An Act Concerning Temporary Restraining Orders. This bill appears to me that it would only further impair the rights of lawfully licensed gun owners in the state of Connecticut. With the passage of this bill which allows a court to send a law enforcement officer to a residence and remove firearm(s) from a suspected "victim" i.e. "gun owner". The bill does not provide due process for the "victim" to be heard before any action is taken, only by a verbal complaint.

Our country, "The United States of America" was founded with laws which protect the citizens from any and all overreach from a government or state authority (see Amendment IV; V; XIV sec. 1.)

### **Amendment IV**

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

### **Amendment V**

### **AMENDMENT XIV**

#### **Section 1.**

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.h
